„ 9. Miscellaneous Collections.

No. 1974-82—R. F. 44-93, DATED, BANGALORE, 1ST AUGUST 1894.

ORDER THEREON.—*Land Revenue*—The figures under this head for the whole Province were :—

	Opening Balance.	Demand.	Total.	Collections.	Remissions.	Closing Balance.
1892-93 (eleven months).	11,56,675	86,87,937	98,44,612	89,15,449	1,91,597	7,37,566
1893-94 (eleven months).	4,81,444	90,53,240	95,34,684	89,34,758	29,170	5,70,756
Difference ...	—6,75,231	+3,65,303	—3,09,928	+19,309	—1,62,427	—1,66,810

2. In the Mysore District, there is again a falling off of Rs. 21,884 under current Demand, which the Deputy Commissioner will explain at an early date.

3. The percentage of Balance in the entire Demand has been as follows :—

District.	1892-93.	1893-94.
Kolar	10·0	9·3
Shimoga	6·3	9·0
Mysore	9·5	8·3
Kadur	6·1	7·0
Hassan	6·0	5·7
Bangalore	11·5	1·7
Chitaldroog	·3	1·6
Tumkur	4·5	9

4. The collection work has progressed very satisfactorily in the Tumkur, Bangalore, and Chitaldroog Districts.

5. The collections as given by the Deputy Commissioners differ from the Comptroller's figures to the extent noted below :—

District.	As per Deputy Commissioner.	As per Comptroller.	Difference.
Tumkur	12,33,286	12,33,214	+ 72
Mysore	14,86,283	14,82,767	+ 3,516
Hassan	10,92,629	10,91,273	+ 1,356
Kadur	7,86,994	7,96,745	— 9,751

The Deputy Commissioners concerned are requested to explain the cause of this difference. They should place themselves in communication with the Comptroller, and take suitable measures for the prevention of such differences in the future.

6. *Mohatarfa.*—The outstanding balance in the Districts named below continued to be very heavy:—

	Rs.
Kolar	27,758
Mysore	13,586
Hassan	5,115

It is hoped that the Deputy Commissioners have exerted themselves to leave as small a balance as possible at the end of the year.

7. *Miscellaneous.*—The large and continued decrease of Rs. 51,617 under current Demand in the Mysore District requires full explanation. The balance of Rs. 17,023 and Rs. 8,357, respectively, still remaining uncollected in the Mysore and Shimoga Districts call for early attention, if the arrears have not been already collected or recommended for remission.

8. Statements Nos. I to V prepared in this office giving further details under the heads treated above are attached.

T. ANANDA ROW,
Chief Secretary.

To—The Deputy Commissioners of Districts.
The Comptroller to the Mysore Government.

Under the instructions conveyed in Comptroller's Circular No. 6048-51, dated 19th May 1893, the following items should have been credited to Government as they had been in deposit unclaimed longer than the time therein prescribed. The fact that these amounts are still held in deposit betrays an absence of regular scrutiny of the deposit accounts by the Treasury Officers. They should now be credited to Government :—

2. (*I*) *Octroi.*—The net decrease of Rs. 1,576 under this head, compared with the actuals of 1892-93, is the result of a gross decrease of Rs. 3,679, and of a gross increase of Rs. 2,103 in the items specified in the margin. The increase under "Class VI Tobacco" is due to the Government share of Octroi on Tobacco, having been made over to the Municipality in Proceedings dated 6th October 1893, Camp No. 27-32. The variations under other sub-heads, more especially the large decrease under each of the heads, "VII Cloth" and "(*d*) Sugar" and "IV Timber," compared with the actuals of 1892-93, have not been explained. The estimates however will stand.

Mc

4. (*III*) *License receipts*, (*a*) *Liquor shops.*—The net increase of Rs. 6,454, compared with the sanctioned estimate for 1893-94, is due to a gross increase of Rs. 6,717 expected in the two items specified in the margin and to a gross decrease of Rs 263 under "Europe liquor shops," owing to the reduction of registration fees.

(2) By refunds from Provincial funds on account of Arrack Revenue credited to that head erroneously	6,217

6. (*IV*) *Carriage tax and* (*V*) *Tax on animals.*—Although no revision of these taxes has been effected during 1893-94, it is not explained why the estimated income for the current year is considerably less than that of the past as noted in the margin.

7. (*VII*) *Mohatarfa.*—The increased estimate under this head being based on the demand for 1892-93, is passed.

8. (*VII*) 2. *Water tax.*—The increase under this head is approved, as it is anticipated, that there will be an increase in the number of applications for House Service pipes, owing to the reduction in the rates sanctioned by Government in their Proceedings No. 137-8—L. F. 2-93, dated 7th July 1894.

9. (*VIII*) *Rents.*—The estimate under this head includes Rs. 4,000 expected from market rents. The estimated income of each of the markets should be intimated.

10. (*X*) *Miscellaneous.*—There is a decrease in the estimated receipts under this head, especially under "(*h*) Other items," as compared with the actuals of 1892-93. This needs explanation.

11. Including the opening balance of Rs. 36,478, the sum available for expenditure during 1894-95, is Rs. 1,45,998, of which Rs. 1,18,855, as shown in the following statement, are proposed to be expended, leaving a balance of Rs. 27,143 at the end of the year :—

12. (*II*) *Head Office.*—The provision under this head, which is the same as that sanctioned for 1893-94, does not include the contribution payable by this Municipality towards the cost of District Office establishment, sanctioned in Government Proceedings No. 10016-7—L. F. 386-92, dated 26th December 1893, or towards the salaries of the temporary hands entertained in the Dewan's Office as per Proceedings No. 11303—L. F. 12-93, dated 17th January 1894. A sum of Rs. 834 will therefore be inserted in the Budget, and the estimate raised to **Rs. 8,467.**

13. (*III*) *Collection, (a) Octroi.*—Including the sum of Rs. 100, sanctioned in Proceedings No. 12303-5—L. F. 8-93, dated 30th January 1894, on account of rewards for detection of smugglers and shown in the Budget for 1893-94 under the head "XI Miscellaneous," but now proposed to be transferred to this head, the sanctioned scale of charges amounts to Rs. 6,160, which is repeated in the present Budget The provision is approved.

14. (*IV*) *Conservancy, (b) Other charges.*—The provision of Rs. 1,000 sanctioned in the Budget for 1893-94, on account of iron cowls, is proposed to be reduced to Rs. 500 and the marginally noted 3 items amounting to Rs. 243 sanctioned for 1893-94, are omitted in the present Budget as not required in 1894-95. Hence the decrease of Rs. 743 in the estimate for 1894-95, which is passed.

15. (*VII*) *Lighting.*—The estimate under this head, which is the same as that sanctioned for 1893-94, is approved. The President's attention will, however, be called to the omission to supply the detailed information required by para 5 of Government Proceedings dated 30th January 1894, No. 12303-5—L. F. 8-93.

16. (*VIII*) *Public works.*—The increased provision of Rs. 37,200 made for works to be executed during 1894-95 is approved, the necessary funds being available.

17. (*XI*) *Miscellaneous.*—The details of the provision under this head are given below :—

Items.	1893-94.	1894-95.

19. (*h*) *Other items.*—The decrease under this head, amounting to Rs. 49 is on account of the salary of a Kamati of the Kukarahalli Musafarkhana ordered to be abolished. The provision made under the following heads seems unnecessary, as the charges could be met out of the provision made under "(VIII) Public Works (*c*) Building, repairs," and "(VII) Lighting."

(1) Repairing compound wall and lighting Town Hall ... Rs. 1,000
(2) Ditto ditto Peoples' Park ... „ 600

CHIKMAGALUR.

The receipts of this Municipality under all heads are estimated at Rs. 26,921 against Rs. 15,670, the actuals of 1892-93, and Rs. 18,580, the sanctioned estimate for 1893-94.

	Details.	Actuals of 1892-93.	Estimate for 1893-94.	Estimate for 1894-95.

X.	Miscellaneous ...	2,359	2,561	9,352
	Total ...	15,670	18,580	26,921

2. (*I*) *Octroi.*—The increase under this head is chiefly in the estimates under "Sayer articles," on which Government share of the duty was made over to the Municipality in Proceedings dated 6th October 1893, C. No. 27-32. The estimate is approved.

3. (*II*) *Tax on houses and* (*VII*) *Mohatarfa.*—The increased estimates under these heads, based upon the result of the revision of taxes recently effected in the town, are passed.

4. (*X*) *Miscellaneous.*—Under the sub-head "(*a*) Sale of houses and lands," a sum of Rs. 7,000 is entered; but as it is not likely that this large sum would be realized in one year, the estimate will be reduced to Rs. 5,000.

5. Including the opening balance of Rs. 5,597, the sum available for expenditure during 1894-95 is Rs. 30,518, of which Rs. 25,784 are proposed to be expended, leaving a balance of Rs. 4,734 at the end of the year.

	Details.	Actuals of 1892-93.	Estimate for 1893-94.	Estimate for 1894-95.

	Total ..	9,287	18,525	25,784

6. (*I*) *Interest on loan.*—The amount of loan sanctioned by Government, on account of the water-supply project of the town, being Rs. 66,000, the interest payable thereon at four per cent per annum is Rs. 2,640, while the sum provided on this account is only Rs. 2,000. It is presumed that the amount of loan was not wholly drawn or utilized before the end of 1893-94. Pending information on this point, the proposed provision will be allowed to stand.

7. (*II*) *Head Office.*—The details of the provision made under this head are as noted below :—

		1893-94.	1894-95.
		Rs.	Rs.
1.	Dewan's and Comptroller's offices	490	490

3.	Deputy Clerk of District office	96	96
4.	Furniture, &c.	50	100
	Total ...	972	1,022

8. *Item* 1.—The proposed estimate does not include the increased contribution payable towards the salaries of the temporary hands entertained in the Dewan's office. A sum of Rs. 17 will be entered on this account.

9. *Items* 2 *and* 4.—Item 4 includes a sum of Rs. 50 on account of stationery to be supplied from the Government Stationery Depôt; but this amount will be struck out, as the cost of stationery ought to be met from the sum of Rs. 36, provided for contingencies and included in item 2. The balance of Rs. 50 will be allowed to stand against item 4, pending explanation as to whether the provision of Rs. 50 made for furniture in the Budget for 1893-94 was utilized, and, if so, what necessity there is for repeating the provision in the current year. Moreover, this provision for furniture and salary of the Deputy Clerk sanctioned in Government Proceedings dated 30th March 1894, No. 16431-2—L. F. 62-93, will be distributed among all the Municipalities, together with the other items under this head as shown below :—

10. (*III*) *Collection.*—The sum of Rs. 143 entered under this head, on account of the collection of House and Mohatarfa taxes as shown in the margin, includes a sum of Rs. 12 for contingencies; but it will be struck out, as the two per cent commission is intended for doing all the work connected with collection, including the keeping of the necessary accounts, for which stationery ought to be provided out of the commission.

	Rs.
(1) Mohatarfa contingencies ...	12
(2) Two per cent commission to shanbhog for collecting mohatarfa and house taxes ...	131
Total ...	143

11. (*IV*) *Conservancy.*—There exists at present only one Dafadar or Peon and 25 sweepers to attend to the conservancy of the town. It is proposed to employ two more Dafadars or Peons on Rs. 7 each, and 3 additional sweepers on Rs. 6 each, to ensure better supervision and sanitation. The increase is passed.

12. (*VII*) *Lighting.*—The estimate includes the marginally noted three items amounting to Rs. 560. The rates given for items 1 and 2 appear excessive. The Deputy Commissioner is requested to see whether they cannot be procured at a less cost from Bangalore or elsewhere.

	Rs.
1. Purchase of 60 burners and chimneys at Rs. 4¾ each	285
2. Purchase of 15 lanterns at Rs. 15 each.	225
3. Coloring and repairing lamps ...	50

13. (*VIII*) *Public works.*—The provision made is for purposes noted below:—

(*k*) Providing dust-bins	200
(*l*) Repairing latrines and dust-bins	100
(*m*) Compensation	5,000
(*o*) Reserve	100
Total ...	12,900

14. (*IX*) *Charitable grants.*—*Midwife.*—There is a decrease in the estimate, as the services of the European midwife were dispensed with, and a native midwife on less pay was appointed in her stead. But the provision made for midwifery allowance of Rs. 15 per mensem to the Female Hospital Assistant in charge of the Female Dispensary, who gets a charge allowance of Rs. 10 per mensem, will be struck out, as she is entitled to charge fees, if she is called in to attend on any midwifery cases (*vide* Government Proceedings dated 28th March 1894, No. 16325-54—L. F. 217-93). The correct provision that has to be made on account of this Dispensary is Rs. 136, and not Rs. 211 as entered in the Budget. The former figure will be adopted.

Dispensary for women and children.

	Rs.
Compounder at Rs. 7	28
Watchman at Rs. 3½	14
Toti at Rs. 3½	14
Contingencies at Rs. 10	10
Charge allowance at Rs. 10 ...	40
Total ...	136

15. The pay of sweepers of the Langarkhana and Hindu Chattram in the town is proposed to be raised from Rs. 5 to 6 each, owing to the difficulty experienced in getting sweepers on their present pay. The increased provision is approved.

16. (*XI*) *Miscellaneous.*—The marginally noted two items account for the increase in the estimate.

	1893-94.	1894-95.	Increase.
1. Re-payment of loan ...	1,000	1,300	300
2. Purchase of plants and receipt stamps ...	300	312	12

17. *Item* 1—Will be allowed to stand, pending receipt of the information called for in para 6 above.

18. *Item* 2.—What portion of this sum is on account of receipt stamps should be explained.

TARIKERE.

19. The President estimates the receipts of this Municipality for 1894-95 at Rs. 6,093 against Rs. 4,839, the actuals of 1892-93.

Details.	Actuals of 1892-93.	Estimate for 1894-95.

VIII. Rents ...	..	100
X. Miscellaneous ...	1,779	1,273
Total ...	4,839	6,093

20. *(I) Octroi.*—The estimate, based upon the probable collections of 1893-94, is retained.

21. *(II) Tax on Houses and (VII) Mohatarfa.*—The estimate under these heads is sanctioned, on the understanding that it represents not the moiety, but the whole of the revenue including Government share made over to the Municipality.

22. *(VIII) (e) Gardens and rents.*—The amount newly entered under this head, which is believed to be the income expected from the garden made over to the Municipality by Mr. Courpalais, is approved.

23. *(X) Miscellaneous.*—The decrease in the estimate under this head is chiefly in the following two items :—

	Rs.
1. Sale of building sites	211
2. School fees	317

The decrease in the former item is due to there being a less number of house sites available for sale, and that in the latter to the usual estimate from school fees being omitted in the Budget, owing to the school having been transferred* to the Educational Department. The Deputy Commissioner is requested to report whether the provision of Rs. 176 entered under "*(m)* Contributions" includes any contribution from the townspeople on account of the Town Police. If so, it should be struck off from the Municipal Budget, as the Police charges have been transferred to the Provincial Funds.

* Proceedings dated 2nd March 1894, No. 309-25.

24. Including the estimated opening balance of Rs. 932, in favor of the Municipality, the sum available for expenditure during 1894-95 is Rs. 7,025, of which Rs. 5,410 are proposed to be expended, leaving a balance of Rs. 1,615 at the end of the year.

25. *(II) Head Office.*—A sum of Rs. 140 will be entered under this head in lieu of Rs. 154 proposed in accordance with para 9 *supra*.

26. *(III) Collection.*—The provision of Rs. 24 sanctioned in the Budget for 1893-94 on account of allowance to the Shanbhog is omitted in the present Budget. The reason for the omission should be explained.

27. *(IV) Conservancy.*—There are at present 13 male sweepers on a salary of Rs. 5½ each, and 7 female sweepers on Rs. 4½ each. It is proposed to reduce their number by 1 in each class and to raise the salaries of the remaining (12 + 6) or 18 by 8 annas each. This is sanctioned, as also the proposed reduction of the estimate under "*(b)* Other charges" from Rs. 100 to 60.

28. (*V*) *Police.*—The Municipality having been relieved of the cost of the Town Police in Government Proceedings dated 14th October 1893, No. D. 7-15, the provision made for the same, *viz.*, Rs. 848, will be struck out.

30. (*IX*) *Charitable grants.*—The details under this head have not been furnished, nor has the estimate been correctly given. The omission will be supplied in the present Budget from data taken from the District Fund Budget of the Kadur Circle, and the estimate raised to Rs. 136 as shown in the margin.

* Proceedings dated 2nd March 1894, C. No. 309-25.

32. (*XI*) *Miscellaneous.*—The increase under this head is in the marginally noted items under "(*c*) Cattle-pounds." Item 2 is passed. In regard to item 1, it is observed that the cost of establishment for the cattle-pound, exclusive of fodder charges, amounts to 26 per cent of the receipts. The Government are therefore not prepared to sanction the proposed increase.

	Total ...	2,954	3,775

34. (*I*) *Octroi.*—The estimate under this head, based upon the average of the past 2 years' collections, is approved.

35. (*II*) *Tax on houses and* (*VII*) *Mohatarfa.*—The estimate under the first head is considerably less than the amount anticipated according to the revision recently effected. It is not explained whether items II and VII include the Government share of the taxes made over to the Municipality. The estimates will however be allowed to stand.

		As per revision.	Estimate proposed
II.	Tax on houses ...	1,888	1,100
VII.	Mohatarfa ...	1,291	1,315

36. (*X*) *Miscellaneous.*—The omission of the estimate under School fees, in accordance with Government Proceedings dated 2nd March 1894, No. 309-25, accounts chiefly for the decrease under this head. The estimate is sanctioned.

37. Including the opening balance of Rs. 7,745, the sum available for expenditure during 1894-95 is Rs. 11,520, of which Rs. 10,448 are proposed to be expended, leaving at the end of the year a balance of Rs. 1,072.

Total ...	2,306	5,585	10,148

38. (*II*) *Head Office.*—As required in para 9 *supra*, a sum of Rs. 88 will be entered under this head in lieu of Rs. 72 proposed.

39. (*III*) *Collection.*—The commission on the estimated Octroi revenue of Rs. 700 amounts to Rs. 35 only, which will be adopted in the Budget, in lieu of Rs. 60, and the sum of Rs. 6 entered for contingencies will be struck out for reasons given in para 10 *supra*.

40. (*IV*) *Conservancy.*—A reduction of a latrine sweeper on Rs. 8 per mensem and of Rs. 20 under dust-bins is proposed, and an increase of Rs. 324 is provided for to meet the salaries of the marginally noted six servants proposed to be newly employed, involving a net increase of Rs. 208 under this head. The estimates are passed.

	Rs.

41. (*V*) *Police.*—The Municipality having been relieved of the cost of the Town Police, the provision made under this head will be struck out.

42. (*VII*) *Lighting.*—There are at present 34 lamps, and it is proposed to purchase 6 more lamps and to light the total number of lamps at Re. 1 each per mensem. This accounts for the increase in the estimate, which will be allowed.

43. (*VIII*) *Public works.*—The provision made for the following works includes Rs. 1,900 on account of compensation for lands required for the town extension, but the estimate (Rs. 100) under "X (*a*) Sale of house sites" on the side of receipts does not apparently include the anticipated income by sale of sites in the new extension. The Deputy Commissioner is requested to explain the matter and to submit particulars of lands to be acquired. Meanwhile, the estimate will be retained:—

	Rs.
1. Repairing roads	1,000
2. Constructing drains	1,000
3. Improving the Amrutanyanakatte	1,000
4. Constructing 4 latrines	400
5. Compensation for lands required for town extension, &c. ...	1,900
Total ...	5,300

44. (*IX*) *Charitable grants.*—A sum of Rs. 1,686 is newly entered under this head, on account of one-third cost of the Dispensary building proposed to be erected in the town; but no details of the cost of the Dispensary have been furnished, nor has the estimate been correctly prepared. The omission will be supplied by reference to the District Fund Budget of the Kadur Circle and the provision reduced by Rs. 64 as shown in the margin.

46. The other items call for no special remarks.

48. (*I*) *Octroi.*—The estimate is justified by the probable collections of 1893-94, and is therefore passed.

49. (*II*) *Tax on houses and* (*VII*) *Mohatarfa.*—The estimates proposed under these heads are less than the amounts expected from the recent revision of the taxes by Rs. 110, as shown in the margin. The reason for the decrease is not given, nor is it explained whether the estimates under these heads represent the entire collections from these taxes including the Government share, which has been recently made over * to the Municipality. Subject to explanation being given on the points noted above, the estimates are retained.

50. (*X*) *Miscellaneous.*—The increase under this head is chiefly in "(*a*) Sale of lands," "(*d*) Pounds," and "(*m*) Contributions." It should be explained why only Rs. 44 were realized under "Contributions" during 1892-93, while the correct amount which the Municipality should get is Rs. 175. The other items, which are of a fluctuating character, call for no remarks.

52 *Head Office.*—The provision under this head will be altered to Rs. 59 with reference to the remarks contained in para 9 above.

53. (*III*) *Collection.*—The estimate under "Octroi collections" being only Rs. 600, the maximum amount that can be allowed is only Rs. 30, which will be inserted under this head in lieu of Rs. 36, as no contingent charges are allowable under the existing orders.

54. (*IV*) *Conservancy.*—The Board propose (*a*) to reduce the provision under "Other charges" from Rs. 180 to Rs. 20, (*b*) to dispense with the services of the existing peon on Rs. 5, and

(c) to appoint in his place an Overseer on Rs. 10 to look after the work. Hence the net decrease in the estimate, which is approved.

55. (*VII*) *Lighting.*—There are at present 20 lamps. The President proposes to purchase five additional lamp-posts and lanterns at a cost of Rs. 150, and to light during 1894-95 only 23 lamps. If five new lamps are proposed to be purchased, it is not clear why provision is made for lighting only three of them. The estimate, however, is passed, subject to explanation being furnished.

56. (*X*) *Education.*—The new provision entered under this head is stated to be on account of contribution towards the cost of an English school proposed to be newly opened, but the provision made will be struck out, in accordance with Government Proceedings dated 28th May 1894, No. 20267-9—L. F. 252-93.

(a) It should be explained whether the estimates under these heads represent the revenue including Government share, which was transferred to the Municipality in Government Proceedings dated 6th October 1893, Camp No. 7—15. If not, the amounts have to be doubled. The estimate will however stand, pending receipt of information called for.

(b) The omission of the estimated income from fees from the Municipal English School transferred to the Education Department in Government Proceedings dated 2nd March 1894, No. 309-25, accounts for the decrease. The contribution levied from the townspeople on account of the Town Police should also be excluded, as the Municipality has been relieved from the Police charges. The Deputy Commissioner is requested to state by how much the estimate has to be reduced.

ORDER THEREON.—Before reviewing the detailed Budgets of each municipality, the estimates relating to "Head Office" charges, which are debitable proportionately to all municipalities, will be considered. The amount proposed for 1894-95 is Rs. 1,260, against Rs. 1,020 of the previous year, as shown below:—

		As sanctioned for 1893-94.	As proposed for 1894-95.
		Rs.	Rs.
(1)	Pay and travelling allowance to District Office Clerk ...	309	305
(2)	Contingencies	137	132
(3)	Contribution towards the Dewan's and Comptroller's office establishments	274	274
(4)	Town Overseer of Hassan	300	300
(5)	Taluk Junardars	...	249
	Total ...	1,020	1,260

2. Item (1) includes Rs. 75 for travelling allowance and Rs. 230 for pay. As no details are given, the Deputy Commissioner is requested to report the scale and rate of pay of the establishment costing Rs. 305.

3. Item (2) is passed.

4. Item (3) will be raised by Rs. 13, to meet the salaries of the temporary hands entertained in the Dewan's office in accordance with Proceedings No. 11305—L. F. 12-92, dated 17th January 1894.

5. Item (5) is disallowed. Owing to the increase of work connected with the Municipal, District Funds and Local Funds General, the Deputy Commissioner proposes the employment of a Junardar on a monthly salary of Rs. 7 or 6 for every Taluk, at an annual cost of Rs. 249, debitable to Municipal and District Funds in the proportion of one-third and two-thirds, respectively. No such proposition was made in submitting the District Fund Budget for 1894-95 which has already been sanctioned, and the attention of the Deputy Commissioner will be drawn to Government Proceedings dated 6th April 1894, No. 16928-36—G. 3663, authorizing the entertainment of temporary hands in consideration of increase of work in the Taluks in certain departments including Municipal and District Funds. The provision of Rs. 249 now applied for will therefore be struck out.

6. The total provision under "Head Office" as thus modified amounting to Rs. 724 (exclusive of Rs. 360 on account of the salary of the Overseer of the Hassan Town, entirely chargeable to the Municipal Funds of Hassan) will be

distributed among the several Municipalities of the District as shown in the following statement :—

(*a*) The increased estimate for 1894-95 is due chiefly to the Government share of octroi on sayer articles made over to this and other municipalities in Government Proceedings dated 6th October 1893, No. 27-32.

(*b*) These two estimates are based on the result of the revision of the taxes recently effected.

(*c*) There is a large difference under the following items, which require explanation :—

	Decrease compared with actuals. Rs.
(*l*) Sale of grass	... 141
(*m*) Contributions	... 139
(*n*) Other items	... 326
Total	... 606

8. *Expenditure.*—The proposed expenditure amounts to Rs. 10,124, as against Rs. 12,217 of the previous year.

Total	... 7,119	12,287	10,124

9. (*II*) *Head Office.*—The correct amount to be entered under this head as remarked in para 6 of this Proceedings is Rs. 586, inclusive of Rs. 300 chargeable entirely to the Municipal Funds of Hassan on account of the salary of the Town Overseer.

10. (*III*) *Collection.*—The increase of Rs. 340 proposed under this head is on account of the following items :—

(i) The payment of allowance to shanbhogs at two per cent of the house and mohatarfa taxes collected by them having been sanctioned in Government Proceedings dated 8th June 1894, No. 21171-2—L. F. 122-93, a sum of Rs. 100 is entered; but it will be reduced to Rs. 90 in proportion to the estimate, Rs. 4,440.

(ii) At present there are two octroi kattes with four peons on a monthly pay of Rs. 5 each or Rs. 240 per year. It is proposed to entertain four additional peons at a cost of Rs. 240 a year. This seems necessary to prevent smuggling and is therefore sanctioned.

11. (*IV*) *Conservancy.*—The Budget for 1893-94 contained a provision of Rs. 160 on account of the value of two conservancy carts purchased in that year; but an additional cart is considered necessary, and it is proposed to hire at Rs. 12 a month and employ an additional sweeper on Rs. 5. The proposal is sanctioned.

12. (*V*) *Police.*—This item will be omitted, as the Municipality has been relieved of Police charges from 1st July 1894 (*vide* Government Proceedings dated 15th June 1894, No. 21812-4—L. F. 250-93).

13. (*VII*) *Lighting.*—The estimate for 1893-94 included a sum of Rs. 220 sanctioned for the purchase of six new lamp-posts. Hence the decrease in the estimate for 1894-95.

14. (*VIII*) *Public works.*—The works, on which the sum of Rs. 4,075 is proposed to be spent, are—

	Rs.
(1) Repairing roads	1,000
(2) Constructing a warehouse for octroi articles	2,000
(3) Completing butchers' stalls	275
(4) Repairing bandy-stand	150
(5) Dust-bins	150
(6) Compensation	500
Total ...	4,075

The provision is passed.

15. (*IX*) *Charitable Grants.*—The provision under this head does not include the cost of the new dispensary for women and children sanctioned in Government Proceedings dated 30th June 1894, No. 23249-53—L. F. 249-93. A sum of Rs. 294 *will be entered on this account in the present Budget.

(*b*) Increase is due to revision of these taxes.

(*a*) Will be reduced to Rs. 38 (*vide* para 6).

(*b*) This increase is necessary as the provision of Rs. 50 for oil and wick made in 1893-94 is reported to be insufficient and is accordingly passed.

(*c*) Included provision made for furniture which it is not necessary to repeat in the Budget for 1894-95.

18. The provision of Rs. 2,700 under "Public Works" is for the marginally noted works and is passed, with the exception of Rs. 1,000 for a Musafarkhana proposed to be constructed for the accommodation of the people frequenting the weekly market, which, it is stated, is a main source of the Octroi revenue of the Municipality. No musafarkhanas are built at the cost of Municipal Funds and as the District Fund Budget already passed contains no provision for this work, the matter will be laid before the next meeting of the District Fund Board and a report submitted for the orders of Government.

(5) Moiety of cost of constructing a musafarkhana for the use of the Sante people	1,000

19. The sum of Rs. 270 entered under "(XI) Miscellaneous" includes a provision of Rs. 250 for the construction of a cattle-pound. It is observed that for repair of the existing cattle-pound, a sum of Rs. 100 was provided in the Budget for 1893-94, and the necessity for the erection of a new cattle-pound is not apparent. Pending the receipt of explanation, the provision will stand.

(*c*) There are at present five sweepers on Rs. 6 each. The proposal to employ an additional sweeper on Rs. 6 and to hire a conservancy cart on Rs. 50 per annum is sanctioned. Hence increase.

(*d*) Rupees 100 are for oil, wick, &c., and Rs. 300 for purchase of lamp-posts. The necessity for the latter item should be explained, as a provision of Rs. 232 was made in 1893-94 for lamp-posts.

(*e*) The details are (1) Opening roads Rs. 100, (2) Road, repairs Rs. 350, (3) Constructing V drains Rs. 500, (4) Repairing drains Rs. 50, (5) Filling a trench Rs. 450, and (6) Compensation Rs. 500.

(*f*) The English School having been transferred to Provincial Funds only the fixed contribution payable from the Municipal funds is entered.

29. ***Tax on houses and (VII) Mohatarfa.***—Excluding the Railway buildings in the town which were exempted from taxation in Government Proceedings, dated 1st January 1890, No. 7758-9—316, the total demand under these heads, including Government share, is Rs. 897, which is entered as the estimate for 1894-95. It is observed that the five years, for which the Government share of these taxes was made over to the Municipality having expired on

30th June 1894, a moiety thereof or only Rs. 448 ought to have been provided for, but the President has entered the whole amount, including Government share and requests that the said share may be permanently transferred to the Municipality, as otherwise the much needed conservancy arrangements cannot be attended to. It is observed that the receipts from Mohatarfa and House taxes, which were Rs. 245 in 1888-89 have risen in 1892-93 to only Rs. 368, exclusive of Government share, while the expenditure rose from Rs. 676 to Rs. 1,567 * or by Rs. 891. The existing expenditure does not admit of reduction and Government are therefore pleased to sanction the transfer of the Government moiety of these taxes for the current year, as a special case leaving the question of its permanent alienation for future consideration. The estimates proposed are accordingly accepted.

READ:—

Letter dated 6th March 1894, No. 298, from the President of Bangalore City Municipality, submitting the Budget Estimates of the City Municipality for the year 1894-95 with a copy of the Proceedings of the Budget Committee dated 6th, 10th, and 15th January 1894.

No. 2499-504—L. F. 7-94, DATED 13TH AUGUST 1894.

ORDER THEREON.—Government resolve to review the Budget Estimates of the Bangalore City Municipality for the year 1894-95.

2. The estimated receipts of this municipality (exclusive of the City Improvement Fund and Jubilee Fund) for 1894-95 amount to Rs. 1,27,120, against Rs. 1,06,270, the actuals of 1892-93, and Rs. 1,41,852, the sanctioned estimate for 1893-94, as shown in the following abstract statement:—

Items.	Details.	Actuals of 1892-93.	Estimate sanctioned for 1893-94	Estimate proposed for 1894-95.	Difference between actuals and estimate for 1894-95.

	Net Increase ..	...	...	...	20,850	...

3. *Octroi.*—Including the estimated revenue of Rs. 225 from tobacco licenses, which is proposed to be transferred to this head from "III (*b*) Other licenses," on the ground that the tobacco license fees are levied under Octroi rules, the total estimate is Rs. 26,770 against Rs. (21,129—225) or 20,904, the actuals of the year 1892-93. The increase is on account of the Government share of Octroi duty on Sayer articles having been made over to the municipality in accordance with Government Order dated 6th October 1893, Camp No. 27-32. The estimate is passed.

4. (*II*) *Tax on houses, buildings and lands.*—The estimate for 1894-95, Rs. 25,000, compared with the actuals, Rs. 18,712, and the normal demand, Rs. 20,000, seems high. The estimate will be reduced to the normal demand, and the President may submit a supplemental Budget when the result of the revision is known in the course of the current year.

5. (*III*) *License receipts—(a) Liquor shops.*—The licenses noted below are proposed to be newly issued in the year 1894-95, and an increase of Rs. 3,250 is expected on account of excess sales of arrack. The increased estimate is therefore passed:—

	Rs.
Five refreshment rooms at Rs. 50 each	250
Three shops for wholesale of liquor at Rs. 50 each	150
One hotel liquor license	50
Twelve toddy shops at Rs. 25 each	300
Total ...	750

6. (*III*) *License receipts*, (*b*) *Other license fees.*—Excluding the item "Tobacco license fees," transferred in para 3 *supra* to "(*I*) Octroi," the estimate under this head comes to Rs. 5,500 against Rs. 1,062, the actuals of 1892-93. Almost the whole increase is under the item of "Slaughter house contract," the rate of fee having been raised from 1 anna to 2 annas per head of cattle slaughtered. The anticipated license fee on 1,425,000 tiles at one anna per thousand is Rs. 89 and not Rs. 9 as erroneously entered in the estimate. The former figure will be adopted and the estimate modified accordingly.

Details.	Estimate. 1892-93.	Actuals. 1892-93.	Estimate. 1894-95.
Slaughter house contract ..	1,600	Details not given.	3,600
Other licenses	2,000		1,900
Total ...	3,600	1,062	5,500

7. (*VII*) *Mohatarfa.*—The increase under this head is in shop and loom taxes and is expected from the revision of taxes now being made. For reasons stated in para 4 *supra*, and taking the actuals into consideration, the estimates under these two sub-heads will be reduced from Rs. 13,000 and 5,500 to Rs. 10,000 and 4,500, respectively. The total estimate sanctioned under this head amounts to Rs. 15,900

8. (*VIII*) *Rents.*—Almost the whole increase under this head is in items 1, 2 and 3 noted below, for which no explanation is given. The estimate for 1894-95, taking the actuals into account, will be reduced to Rs. 7,000:—

Details.	Actuals of 1892-93.	Estimate for 1893-94.	Estimates for 1894-95.	
			Proposed.	Sanctioned.
1. Market shops	Details not given.	Rs. 2,375	Rs. 2,875	Rs. 2,400
2. Vegetable markets		2,845	3,350	2,815
3. Mutton markets		450	690	500
4. Fish markets		30	35	35
5. Boti stalls		50	50	50
6. Rents from lands		1,200	1,200	1,200
Total ...	6,950	6,950	8,200	7,000

9. (*X*) *Miscellaneous.*—The decrease under this head is the result of a gross decrease of Rs. 8,871 and of a gross increase of Rs. 6,185 in the items specified below:—

Decrease.		Rs.	*Increase.*		Rs.
(*b*) Refunds ...	...	2,313	(*a*) Sale of lands ...	...	227
(*e*) Land revenue ..	...	5,341	(*d*) Pounds ...	...	85
(*k*) Other items ...	...	1,217	(*f*) School fees ...	...	506
			(*g*) Sale of manure ..	...	45
	Total	... 8,871	(*h*) Scavengering fees ...	...	28
	Deduct Increase	... 6,185	(*i*) Sale of grass ...	...	73
			(*l*) Notice and warrant fees	...	21
	Net Decrease	... 2,686	(*m*) Contribution ...	...	5,200
				Total	... 6,185

10. The increase under "(*f*) School fees" is expected from the Municipal English school attracting a large number of boys.

11. *(m) Contributions.*—The estimate amounts to Rs. 9,600, against Rs. 7,251 the estimate for 1893-94, the increase being due to the following items, which have been recently sanctioned by Government:—

	Rs.
(1) Mileage allotment for the maintenance of suburban roads raised from Rs. 300 to 400 per mile in Proceedings dated 31st January 1894, No. 12602-4—L. F. 182-93	2,000
(2) Tirupati Pilgrim Chattram	350
Total ...	2,350

12. *Item* 1.—The President is requested to state why the actuals of 1892-93 amounted to only Rs. 4,400, while the sanctioned estimate for that year was Rs. 7,059.

13. *Item* 2.—The amount payable from Local Funds General, on account of Tirupati Pilgrims' Chattram, is only Rs. 334 and not Rs. 350 as entered in the Budget. The former figure will be adopted.

14. The decrease under "(e) Land revenue" is due to the actuals of 1892-93 having included the land revenue collections for two years.

15. The other items of variation are small and call for no remarks.

16. The estimated revenue as thus revised amounts to Rs. 1,16,984. Adding to this Rs. 16,370, the estimated cash balance on 1st July 1894, the sum available for expenditure during 1894-95 is Rs. 1,33,354, of which Rs. 1,09,999 are proposed to be expended, leaving a balance of Rs. 23,355 at the end of the year:—

	Total ...	1,06,279	1,31,316	1,09,999

17. *(II) Head Office.*—The net increase of Rs. 940 provided under this head is the result of a gross increase of Rs. 1,240 in the items noted below and of a gross decrease of Rs. 300 in 'Advertisement charges,' for which the said sum was specially sanctioned in Government Proceedings dated 16th March 1894, No. 1539-4—L. F. 11-93:—

	Rs.
1. Vice-President's increase of salary	600
2. Assistant Accountant on Rs. 20 per mensem	240
3. Increase of pay to eight orderly peons from Rs. 5 to 6	96
4. Two additional office peons (not orderly peons as entered in Budget Statement No. III) at Rs. 6 per mensem	144
5. Increase of pay to office peons from Rs. 6 to 7 per mensem ...	60
6. Increase of provision for purchase of books from Rs. 100 to 150 ...	50
7. Increase of provision for postage labels, receipt stamps, &c., from Rs. 50 to 100.	50
Total ...	1,240

18. *Item* 1.—The Vice-President Mr. K. Srinivasa Rao having been recently promoted as an Assistant Commissioner of the 4th grade, and the increase of Rs. 50 payable to him having been ordered *to be debited to municipal funds, the increased provision made for his salary and allowance is approved.

*Government Proceedings dated 6th June 1894, No. 21008-9—L. F. 197-92.

19. *Item* 2.—The Head Clerk on Rs. 20 per mensem hitherto borne on Octroi establishment but doing duty in the head office, is proposed to be permanently transferred as an Assistant Accountant on his own salary to the Department, where he is actually working. As it is stated that his services are not required in the Octroi Department and as the proposal involves no extra cost to the municipality, it is sanctioned.

20. *Item* 3.—There were hitherto eight orderly peons for Municipal Commissioners at the rate of one for each Division. But as the number of Municipal Divisions has been reduced from 8 to 7 (*vide* Government Proceedings dated 18th July 1893, No. 794—64-92), the number of orderlies will also be reduced to 7 and their pay will be raised from Rs. 5 to 6 each, as proposed.

20. *Items* 4 *and* 5.—The Municipal President concurring with the Board proposes to employ two additional peons on Rs. 6 each and to raise the pay of the existing five peons from Rs. 6 to 7 per mensem. The present staff of peons attached to the head office is apparently inadequate and the Government are pleased to sanction the increase in the number of peons proposed; but they are not prepared to sanction the increase of the pay of the existing peons from Rs. 6 to 7, as there is no reason why their pay should be higher than that of the orderly peons.

22. *Items* 6 *and* 7.—The increase of Rs. 100 proposed will be disallowed in accordance with para 6 of Proceedings dated 28th March 1894, No. 16280-4—L. F. 272-92.

23. The provision under Head Office includes the salary of an Assistant Record-keeper on Rs. 15 per mensem sanctioned temporarily for one year in para 18 of Government Proceedings dated 23rd September 1893, No. 5416-9—L. F. 11-93. The President, as well as the Board, considers that his retention for at least another year is necessary. The proposal is sanctioned.

24. The provision of Rs. 200 sanctioned for 1893-94 on account of office furniture is repeated in the present budget. The President is requested to state whether the provision was utilized in 1893-94, and if so, what necessity there exists for making a further provision under this head. Pending explanation, the estimate will stand.

25. Including the sum of Rs. 74 payable by this municipality towards the salaries of the two temporary hands entertained in the Dewan's office under Government Proceedings dated 17th January 1894, No. 11303—L. F. 12-92, the sanctioned provision under "II Head Office" will come to Rs. 10,185.

26. *(III) Collection—(a) Octroi.*—The decrease under this head is due to the transfer of the Head Clerk on Rs. 20 to the head office and to the reduction of one of the Mutsaddis on Rs. 8 per mensem. The transfer proposed is sanctioned in para 19 *supra*. The reduction recommended is also sanctioned. It is noted that the Octroi establishment charges as now reduced are still high, being 18 per cent of the estimated revenue and the President is requested to report, if a further reduction cannot be made.

27. *(III) Collection—(b) House and mohatarfa taxes, &c.*—The President proposes the employment of an additional distraining officer on Rs. 15 per mensem and to revise the number and salaries of the existing Shaubhogs, &c., employed on collection duty,

involving an increase of Rs. 684 over the sanctioned estimate for 1893-94. His proposals differ from those of the Budget Committee as shown below :—

Government observe that no information is furnished to show the amount of work now devolving on each of the Shanbhogs and the distraining officer and the actual necessity for the employment of an additional distraining officer and for the revision in the number and pay of the existing Shanbhogs. A statement showing the amount of work done by each individual should be submitted with a separate reference, stating whether the Shanbhogs collecting these taxes are the hereditary Shanbhogs, who were employed on the work previous to the transfer of the items to the municipality and whether they also collect land revenue as well; and if so, what potigi each gets in addition to the salaries paid from municipal funds. Pending further orders in this matter, the sanctioned provision for 1893-94 will be repeated in the present Budget.

28. (*IV*) *Conservancy.* (*a*) *Establishment.*—At present, there are eight Conservancy peons, four on Rs. 6 per mensem and four on Rs 5 each. The proposal to raise the salaries of the latter also to Rs. 6 each is sanctioned. The services of two Dafadars were dispensed with in September 1893 and certain allowances proposed to be given to Patels, to ensure better supervision, were sanctioned in Proceedings dated 15th January 1894, No. 10929-30—L.F.43-93 ; but it is now proposed to re-employ the Dafadars, for which no special reason is assigned. The present Budget includes Rs. 72 on account of the pay of twelve extra sweepers working on Sundays. As directed in para 8 of Government Proceedings, dated 28th March 1894, No. 16280-4—L.F.272-92, the item will be struck out.

29. (*IV*) *Conservancy,* (*b*) *Other charges.*—The provision of Rs. 200 sanctioned in the Budget for 1893-94 on account of clothing to Overseers is omitted in the present Budget as unnecessary. Hence the decrease in the estimate, which is passed.

30. (*VII*) *Lighting.*—There are at present 584 lamps and it is proposed to purchase 41 more lamp posts and lanterns at a cost of Rs. 1,250 and to light at an aggregate cost of Rs. 9,000, the total number of lamps, *viz.*, 625, from 6 P.M. to 4 A.M. all through the year, consequent on the change of time in the Railway train service. Government observe that the cost of lighting each lamp per mensem appears excessive, being Rs. 1-3-3, while the rate allowed in the Civil and Military Station Municipality is only Rs. 1-2-6 for lighting each lamp per month throughout the night. The Board, it is hoped, will endeavor to reduce the rate. Meanwhile, the estimate will be retained.

31. *(VIII) Public works.(a) Supervision.*—The items noted below account for the increase in the estimate under this head:—

	Rs.
Watcher for Gundopant's Karanji at Rs. 5 per mensem	..60
Watcher for Taramandal well at Rs. 5 per mensem ..	. 60
Increase of the office peon's pay from Rs. 5 to 6 ..	..12
Total	..132

It is observed that the watchman for the Gundopant's Karanji was removed as unnecessary in 1892-93 at the recommendation of the President and no special grounds have now been adduced for his re-employment. The well at Taramandalpet is resorted to by a large number of people and a watch peon seems necessary. The provision on this account will be allowed. The increase of Re. 1 proposed to be given to the office peon now drawing Rs. 5 is also sanctioned.

32. *Gardeners for the Chattram Hospital.* were sanctioned for the year 1893-94 with a remark that if their retention was necessary in the 'ensuing year,' special sanction should be obtained. The provision is simply repeated in the present the Budget without any explanation, which should be submitted, and pending its receipt, estimate will not be disturbed.

33 *Establishment for avenues.*—A provision of Rs. 144 was sanctioned for 1893-94 for the up-keep of the Fort avenues. It should be reported what reductions, if any, are feasible under this head during 1894-95. Meanwhile, the estimate will be allowed to stand.

34. *(VIII) Public works, (b) to (o) Works.*—The provision made for works to be executed during 1894-95, amounting to Rs. 23,178, is approved as per details given in the Budget Statement No. 11, of which an abstract is given below:—

	Rs.
(*b*) Original roads	11,600
(*c*) Road repairs	7,000
(*d*) Drains, original	500
(*e*) Drains repairs (exclusive of establishments) ..	788
(*f*) Water-supply, original	500
(*g*) Repairing wells	500
(*h*) Repairing buildings	500
(*i*) Watering roads (exclusive of establishments) ..	540
(*k*) Other works, original	..
(*l*) Other works, repairs	500
(*m*) Tools and plant	250
(*o*) Reserve	500
Total	...23,178

35. *(IX) Charitable grants, Branch Dispensary near the market.*—The provision of Rs. 1,613 under this head includes the marginally noted increases proposed to be given to the menial servants attached to the dispensary, as well as the the pay of the Hospital Assistant and the cost of the Europe medicines. As the latter two items amounting to Rs. 970 have been ordered to be transferred to "Provincial" in Proceedings dated 31st May 1894, No. 20575-7—I.F.350-92, the same will be struck out. The increase proposed to the servants referred to were disallowed in Proceedings No. 12139—350-92, dated 29th January 1894. As no special reasons have now been given for reiterating the request for increase, the provision made will be struck out.

	Increase.
One compounder from Rs. 10 to 11	... 1
One toti from Rs. 4 to 5	... 1
One waterman from Rs. 6 to 7	... 1
Total per mensem	... 3

36. The Budget provides the marginally noted amounts on account of contingencies including country medicines of three dispensaries in the town, while the amount sanctioned for all Local Fund Dispensaries in the Province is only Rs. 120. The President is, therefore, requested to state why the allowances could not be reduced to Rs. 10 a month in the case of each dispensary. Meanwhile, the estimate will stand.

	Rs.
1. Market Dispensary ...	... 175
2. Arlepet Dispensary	.. 160
3. Itinerant medical officer	... 170

37. *Maternity.*—The Board propose to reduce the charges under this head from Rs. 4,035 to Rs. 2,516; but an increased provision of Rs. 3,016 will be made in accordance with the instructions conveyed in this office letter dated 13th July 1894, No. 651—L.F.43-92, to the address of the President.

38. *Midwives.*—The Board propose the employment of four midwives on Rs. 15 each per mensem, subject to certain conditions. The proposal is sanctioned.

39. *Langarkhana.*—The sum of Rs. 2,686 provided under this head will be reduced to Rs. 2,600, being the amount sanctioned for 1893-94, and the President is requested to consider what reduction is feasible under this head with reference to the remarks contained in para 9 of Proceedings dated 18th June 1894, No 21989-92—L.F 11-93.

40. *Tirupati Pilgrims Chattram.*—Under Government Proceedings dated 6th June 1894, No. 20995-6 -L.F.91-92, only one-third of the cost of this institution is debitable to Municipal Funds; but as the remaining two-thirds is taken into account in the estimate of "Receipts" as the contribution from Local Funds General, the usual provision will be entered in the Municipal Budget.

41. *Sanskrit College.*—This institution having been transferred to the Budget of the Education Department with effect from 1st July 1894, No 537-41—L.F.219-93, only the Grant-in-aid of Rs 600 (at the rate of Rs. 50 a month) payable from the City Municipality is entered on the side of expenditure.

42. *Municipal English School and Kannada Boys' School.*—A lump sum increase of Rs. 2,000 is proposed for these two schools to raise the number and pay of the existing staff of teachers and to supply furniture; but no details have been furnished as to what additional hands and what increased rates of pay are necessary

	Rs.
Municipal English School...	... 1,500
Kannada Boys' School ...	... 500
Total	... 2,000

The proposed lump sum increase will therefore be struck out, but a supplemental Budget may be submitted for orders, accompanied by a separate reference containing full details. It is noted that the sanctioned provisions on account of the salary of the writing master of the English school and rent for the Kannada Boys' school building are Rs. 156 and Rs. 240 respectively, and not Rs. 168 and Rs. 360 as erroneously entered in the Budget.

43. (*XI*) *Miscellaneous*—(*c*) *Cattle pounds.*—The provision under this head includes Rs. 168 being the salaries of a Mutsaddi and a watcher of the cattle pound at the Alsurgate, but as their services were ordered in Government Proceedings dated 17th May 1894, No. 19612-3—L. F. 201-93, to be dispensed with, the sum of Rs. 168 will be struck out and in lieu thereof a sum of Rs. 80 will be entered on account of the percentage-remuneration payable to the Ukkad Mutsaddi, who will look after the pound.

44. *Garden below Dharmambudhi tank.*—The Board propose (1) the employment of two additional Kalihats or gardeners on Rs. 5 each and (2) an expenditure of Rs. 220 for improvements. The Budget Committee recommended only the former item. As the charges noted below are annually incurred on account of this garden, which has three permanent gardeners together with a provision of Rs. 118 for extra gardeners during the hot season, and of Rs. 50 for plants, the necessity for two more permanent gardeners is not apparent:—

	Rs.
Head gardener on Rs. 8	96
Two gardeners at the rate of Rs. 5	120
Extra gardeners	118
Sweeper at the rate of Rs. 3	36
Purchase of plants	50
Native music on Sunday	240
Total ...	660

It is not stated what the original number of the gardeners was and when and why the number was reduced. Pending full information on the foregoing points, the provision for 1893-94 will be repeated in the present Budget.

45. *Other items.*—A lump sum of Rs. 490 is entered in the present Budget on account of "Other Miscellaneous Items." This will be passed subject to details being furnished.

46. *Jubilee Fund.*—As the amount of Jubilee Fund made over to the City Municipality and ordered to be held in deposit was not hitherto shown in the accounts, the Board have recently resolved to show the amount in the Municipal accounts under a separate head "Deposits." The President will report how the amount is proposed to be invested or utilized.

47. Subject to the remarks and explanations called for above, the Budget Estimates of receipts and expenditure of the Bangalore City Municipality for 1894-95 will stand as shown in the accompanying appendices, of which an abstract is given below :—

No. 2731-6—L. F. 28-94, DATED, BANGALORE, 18TH AUGUST 1894.

ORDER THEREON.—Government resolve to review the Budget Estimates of the several Municipalities of the Shimoga District for the year 1894-95.

SHIMOGA TOWN.

2. The estimated receipts of this Municipality for 1894-95 amount to Rs. 16,560, against Rs. 12,510, the actuals of 1892-93 and Rs. 14,365 the sanctioned estimate for 1893-94, as noted below :—

Items.	Details.	Actuals of 1892-93.	Estimate for 1893-94.	Estimate for 1894-95.
I	Octroi	5,779	5,910	6,270

X	Miscellaneous	1,190	1,377	1,544
	Total ...	12,510	14,365	16,560

3. *(I) Octroi.*—The increase under this head is due to the Government share of Octroi on Sayer articles having been made over to the Municipality. The estimate, which is based upon the probable collections of 1893-94, is passed.

4. *(II) Tax on houses and (VII) Mohatarfa.*—The estimates under these heads, which are based upon the probable collections of 1893-94, are approved.

5. *(X) Miscellaneous.*—The increased estimate under this head which is chiefly in "*(m)* Contributions," is accepted, subject to explanation being furnished as to the cause of increase. Meanwhile the estimate will stand.

6. Including the opening balance of Rs. 6,213, the sum available for expenditure during 1894-95 is Rs. 22,773 of which Rs. 18,119 are proposed to be expended, leaving, at the end of the year, a balance of Rs. 4,654—

7. (*11*) ***Head Office.***—The provision made under this head in the Budgets of the several Municipalities is for the following items :—

		Rs.
1.	Dewan's and Comptroller's Office Establishments	480
2.	District Office Establishment	568
3.	Shimoga Vice-President's Office	144

	Total ...	1,373

8. *Item* (1) will be raised by **Rs. 14** to meet the cost of two temporary hands entertained in the Dewan's Office.

9. *Item* (2) ***District Office Establishment.***—No details for the amount entered under this head have been furnished. There is at present a Clerk on **Rs. 25**, and it is proposed to employ another hand on Rs. 15. The proposal is sanctioned. The provision required for these hands is only Rs. 480, and the excess Rs. 88, is, it is presumed, on account of travelling allowances, &c. The estimated provision is allowed to stand, subject to details being furnished.

10. *Item* (6) is on account of furniture and forms for the District Office. As a similar amount was sanctioned for the same purpose in **1893-94**, the reason for repeating the provision for 1894-95 is not apparent. The estimate is however allowed to stand on the assumption that the amount granted in last year's Budget was not utilized. The whole amount of **Rs. 1,219** provided under Head Office will be distributed, among all the Municipalities in the District as shown hereunder :—

12. (*III*) *Collection.*—Owing to the increase of revenue anticipated fro the revision of taxes recently effected, an increase of Rs. 20 is provided und this head on account of commission payable to the Shanbhog and Patel for co lecting the taxes. The estimate is passed.

13. (*IV*) *Conservancy.*—The present staff of the conservancy establis ment being found insufficient for the proper conservancy of the town, the D puty Commissioner proposes the ma ginally noted additional establis ments. The provision for the repa of gravel carts is also proposed to l raised by Rs. 10 and that for the hi of the fifteen conservancy carts fro Rs. 13-8-0 to Rs. 15-8-0, per mense This accounts for the increase in th estimate, which includes Rs. 200, on account of Kalihat establishment. Th increases proposed are sanctioned with the exception of the three peons for whos employment there appears to be no necessity as the existing five peons and on dafadar ought to be sufficient for supervising the work of the Conservanc Staff. Besides the Conservancy Establishment there is a Kalihat establishmer costing Rs. 200 per annum. The Deputy Commissioner is requested to furnis details as to the strength of this establishment and the nature of the work don by the same.

14. (*VII*) *Lighting.*—The increase in the estimate under this head is re ported to be due to the provision made for the purchase of twelve new lamp posts and for lighting them in addition to the existing ones. The increase i sanctioned.

15. (*VIII*) *Public works.*—The provision made under this head, consistin of the items noted below is approved :—

		Rs.
1.	Repairing roads	2,469
2.	Water-supply original	400
3.	Water-supply repairs	200
4.	Buildings repairs	750
5.	Watering avenues (kamatis Rs. 180 and fencing Rs. 70) ...	250
6.	Compensation	200
7.	Reserve	250
	Total ...	4,519

16. (*IX*) *Charitable grants.*—The marginally noted two items account fo the increase in the estimate under thi head.

	Rs.
(1) Establishment for women and children	200
(2) Vaccinator's pay to be raised from Rs. 7 to 10	36
Total ...	236

(*a*) *Item* 1.—The establishment o a Dispensary for women and childre having been sanctioned and the charge thereof ordered to be debited in full t Municipal funds, till such time as th District Funds are able to bear the usua two-third quota of the charges, the correct amount that has to be entered i Rs. 612* and not Rs. 200. The forme figure will be inserted in the Bud get.

	Rs.
*(1) First or initial cost on account of furniture	192
(2) Menial establishments ..	180
(3) Contingencies	120
(4) Charge allowance	120
Total ...	612

(*b*) *Item* 2.—The pay of the Vac cinator is proposed to be raised from Rs. 7 to Rs. 10 a month. This is ap proved.

17. Adverting to the provision made for the salary of a midwife at Rs. 50 per mensem, the attention of the Deputy Commissioner is drawn to the Board's Pro ceedings, dated 13th June 1894, from which it appears that it was resolved to dispense with the services of the present midwife. If in her place a midwife on

Rs. 15 per mensem be appointed as has been done in Chikmagalur, or the same amount be given as midwifery allowance to the Female Hospital Assistant, the provision actually required will be Rs. 285. This amount will accordingly be entered in the Budget.

18. (*XI*) *Miscellaneous.*—A sum of Rs. 300 is entered in the Budget of the current year on account of the Maharaja's Park as against Rs. 125 of the previous year—This is sanctioned. A sum of Rs. 1,000 is provided for repayment of loan. This seems unnecessary as the loan of Rs. 5,000, taken from Provincial revenues has been fully repaid.

CHANNAGIRI.

19. The receipts of this Municipality for 1894-95 are estimated at Rs. 1,605 against Rs. 1,791 the actuals of 1892-93 :—

Items.	Details.	Actuals of 1892-93.	Estimate for 1894-95.
I	Octroi	240	240
II	Tax on houses, &c.	304	460
III	Mohatarfa	461	510
VIII	Rents	5	10
X	Miscellaneous	781	385
	Total ...	1,791	1,605

20. (*II*) *Tax on houses, &c., and* (*VII*) *Mohatarfa.*—The increase under these heads is due to the taxes having been revised in 1893-94. The estimates are passed.

21. (*X*) *Miscellaneous.*—The estimate under this head includes anticipated income from school fees amounting to Rs. 240. This will be struck out as the entire management of the school has been transferred to Provincial by Government Proceedings, dated 2nd March 1894, C. No. 509-25.

22. The estimate as now reduced comes to Rs. 1,365. Adding to this the opening balance of Rs. 2,850, the sum available for expenditure during 1894-95, is Rs. 4,215; of which Rs. 3,929 are proposed to be spent, leaving at the end of the year a balance of Rs. 286 which is less than one-fourth of the receipts by Rs. 55 :—

23. (*IV*) *Conservancy.*—It is proposed to increase the pay of the Mutsaddi and the Nirganti by Re. 1 each and to employ newly three more sweepers on Rs. 5 each. This accounts for the increase in the estimate, which is sanctioned.

24. (*VII*) *Lighting.*—The provision of Rs. 510 newly made under this head is stated to be for the purchase of lamp posts, &c., and for lighting them. The fixed charges of the Municipality excluding Public works amount to Rs. 1,581, which exceeds the annual income by Rs. 216. Though there is sufficient balance to meet the proposed lighting charges this year, it is not clear how the same

can be met in the next and subsequent years. The Deputy Commissioner is requested to report how many lamp posts are proposed to be purchased and what would be the annual cost of lighting, and pending receipt of his explanation, the provision will be retained.

25. (*VIII*) *Public works.*—The provision made for the works noted below is approved.

	Rs.

27. The other items call for no remarks and are passed.

HONNALI.

29. (*II*) *Tax on houses.*—The estimate based upon the result of the revision of house tax effected in 1893-94 is accepted.

30. (*X*) *Miscellaneous.*—The estimate under this head includes the anticipated fee income (120) of the English school in the town. This item will be struck out, as it has been transferred to Provincial.

31. The income as now estimated amounts to Rs. 1,300. Adding to this the opening balance of Rs. 720, the sum available for expenditure during 1894-95 is Rs. 2,020, of which Rs. 1,782 are proposed to be spent, leaving at the end of the year a balance of Rs. 238, which is less than of one-fourth of the receipts by Rs. 117.

32. (*II*) *Head Office.*—For reasons given in para 10 *supra*, the estimate will be raised to Rs. 51.

33. (*VII*) *Lighting.*— The provision of Rs. 180 newly made under this head is stated to be on account of the purchase of lamp-posts and lanterns and cost of lighting them. The details showing the number of lamp-posts to be purchased and the cost of lighting them should be furnished. Pending receipt of this information, the estimate is passed.

34. (*VIII*) *Public works.*—The provision made under this head consisting of the items noted below is approved :—

2. Drains, original	310
3. Water-supply, repairs	130
4. Reserve	20

35. (*IX*) *Charitable grants.*—The decrease under this head is in the provision for the salary and allowance to midwife. It is observed that the Budgets of this and other Municipalities provide Rs. 636 on account of moieties of salaries and allowances to midwives, while the District Fund Budget of the Shimoga Circle, from which the remaining moieties are met, contains a provision of Rs. 560 or Rs. 46 less. The Deputy Commissioner is therefore requested to state the rate of pay and allowance of the midwife appointed for each Taluk in view to proper provision being made in the Municipal Budgets. Pending receipt of such detailed information, the estimates proposed will stand.

The President estimates the income of this municipality for 1894-95 at Rs. 5,405 against Rs. 4,364, the actuals of 1892-93, and Rs. 4,755, the sanctioned estimate for 1893-94 :—

2. (*I*) *Octroi.*—The estimate based upon the probable collections of 1893-94 does not include the revenue expected from these articles, which have recently been subjected to duty under Proceedings dated 22nd March 1894, No. 15812-4—L. F. 214-93.

A sum of Rs. 1,600 as reported in his No. 875—755, dated 29th June 1894, will be entered on this account, and the estimate raised to Rs. 3,300. But the Deputy Commissioner is requested to report the amount which has to be shown against each sub-head.

3. (*II*) *Tax on houses and* (*VII*) *Mohatarfa.*—The estimates being based upon the Jamabandi figures are approved.

4. (*VIII*) *Rents.*—It is proposed to levy a small fee in the weekly market in the town and an income of Rs. 200 is anticipated under the sub-head "(*c*) Markets". This accounts for the increase in the estimate, which is passed.

5. (*X*) *Miscellaneous.*—The increase under this head is chiefly in "(*a*) Sale of houses and lands" and "(*n*) Other items." The estimate is allowed.

6. The income as now estimated amounts to Rs. 7,005, to which the opening balance of Rs. 1,274 being added, the sum available for expenditure during 1894-95 is Rs. 8,279, of which Rs. 5,358 are proposed to be expended, leaving a balance of Rs. 2,921 at the end of the year.

8. *Item* (1)—Does not include the increased contribution payable by the municipalities in the District towards the salaries of the two temporary Clerks entertained in the Dewan's office. A sum of Rs. 10 will be added on this account.

9. *Item* (4).—In the Deputy Commissioner's letter the amount needed for furniture is given as Rs. 80, while the sum provided in the budgets is Rs. 85. The former figure will be adopted. As only a moiety of the salary of the Statistical Clerk is paid from Municipal funds, it should be stated whether the proposed estimate represents the whole or only a portion of the cost of furniture to be supplied. In the former case, the Deputy Commissioner should state what reduction ought to be made under this head. Moreover this item is proposed to be distributed only among the marginally noted five municipalities without debiting any portion thereof to the remaining four towns on the ground that if the proportionate cost be debited to the latter towns also, their balances would be less than the prescribed minimum balance. The proposal of the Deputy Commissioner cannot be sanctioned. Pending information above called for, the sum of Rs. 80 will, as in the case of the salary and contingencies of the District office Clerk, be rateably charged to the several municipalities in the District without exception.

13. (*III*) *Collection.*—The provision under this head will be raised from Rs. 180 to 252, as the Mutsaddi on Rs. 14 is replaced by an Overseer on Rs. 20 *vide* Government Proceedings dated 25th June 1894, No. 22591-2—L. F. 52-92.

14. (*IV*) *Conservancy.*—The proposed estimate does not include the salaries of 1 Dafadar on Rs. 7, and 2 Sweepers on Rs. 4 each sanctioned in Proceedings dated 25th June 1894, No. 22591-2—L. F. 51-92. The amount will be raised to Rs. 2,016.

9. Molakalmuru	40	10	50
Total ...	480	100	580

while the District Fund Budget for the year which provides for the other moiety is Rs. 1,010. The number of midwives to be employed as stated in the District Fund Budget is eight, of whom three are to be paid at Rs. 20 each and the remaining five at Rs. 15. With a view to provide correct amounts in the budgets of the several municipalities, the Deputy Commissioner is requested to submit a statement showing the pay and allowance of each midwife proposed to be employed in each Taluk and the proportionate cost thereof debitable to Municipal funds. Pending receipt of the required information, the estimate proposed will be allowed to stand.

18. (*IX*) *Miscellaneous.*—The services of one of the two gardeners on Rs. 5 each employed on the Kalamma plantation are proposed to be done away with, the provision for "Unforeseen expenditure" being reduced from Rs. 61 to 41. This accounts for the decrease in the present estimate, which is approved.

DAVANGERE.

19. The receipts of this municipality for 1894-95 are estimated at Rs. 8,030 against Rs. 6,037, the actuals of 1892-93 :—

Items.	Details.	Actuals of 1892-93.	Estimate for 1894-95.

20. *(II) Tax on Houses and (VII) Mohatarfa.*—As the Government moiety of these taxes was transfered to this municipality in Government Proceedings dated 14th October 1893, Camp No. 7-15, the estimates under these heads are nearly double of the actuals of 1892-93, and are passed.

21. *(X) Miscellaneous.*—Almost the whole decrease is in the marginally noted sub-heads.

(*m*) Contributions ...	... 478
(*n*) Other items ...	... 350
Total	... 882

22. *(f) School fees.*—The English school in the town having been transferred to the Education Department, the estimate under this head is omitted.

23. *(m) Contributions.*—A sum of Rs. 400 is entered under this sub-head. This includes the contribution from the inhabitants on account of the Town Police. As the Police charges have been transferred to Provincial funds from 1st July 1894, the contribution for the Police charges for 1894-95 should be omitted from the Municipal Budget, and the Deputy Commissioner will state the amount to be deducted on this account.

24. *(n) Other items.*—During 1892-93, compensation, received from the Railway authorities for lands taken up, was credited in the accounts, no such receipt being expected during 1894-95. This accounts for the decrease in the estimate, which is allowed.

25. Including the opening balance of Rs. 3,395, the sum available for expenditure during 1894-95 is Rs. 11,425, of which Rs. 7,780 are proposed to be expended, leaving a balance of Rs. 3,645 at the end of the year :—

26. *(II) Head Office.*—With reference to the remarks made in para 11 above, the provision under this head will be altered to Rs. 164.

27. (*III*) *Collection.*—The provision under this head includes the salary (Rs. 42) of the Mutsaddi. As his services were ordered to be dispensed with, a trained Overseer on Rs. 25 being appointed in his stead (*vide* Proceedings dated 25th June 1894, No. 22593-4—L. F. 52-92), a sum of Rs. 156 will be added to the estimate under this head to meet the salary of the latter.

28. (*IV*) *Conservancy.*—There are at present three Conservancy carts hired at Rs. 14 each per mensem. It is proposed to hire an additional cart during 1894-95. Hence the increase in the estimate, which is allowed.

29. (*V*) *Police.*—The municipality having been relieved of the cost of the Town Police, the provision made on this account will be struck out.

30. (*VIII*) *Public works.*—The details under this head are given in the margin. The provision of Rs. 1,200 shown under (*k*) "Other works, original," includes Rs. 1,000 on account of contribution payable to the Department of Public Works for one-third cost of the dispensary, while the amount that has to be provided in accordance with Government Proceedings dated 16th July 1894, No. 710—L. 35. (*X*) *Miscellaneous.*—As the estimate under the sub-head "(*f*) School fees" is omitted in accordance with Government Proceedings dated 2nd March 1894, No. 309-25, there is a decrease in the total estimate, which will be retained, but the Deputy Commissioner is requested to state whether the whole or any portion of the amount of Rs. 500 shown under "(*m*) Contribution" represents the special contribution levied from the towns-people towards the cost of the Town Police. If so, it should be omitted from the municipal budget, as the Town Police charges have been transferred to the Provincial funds.

36. Including the opening balance of Rs. 2,776, the sum available for expenditure during 1894-95 is Rs. 7,216, of which Rs. 5,108 are proposed to be expended, leaving a balance of Rs. 2,108 at the end of the year :—
